Introduction

Leaderonomics Youth in partnership with ECM Libra Foundation and EPSOM College in Malaysia have provided 71 youths aged between 13-16 years old from all over Malaysia the opportunity to experience the SPARK Leadership Programme which was conducted on 11-17 December 2016 (see attachment for Programme Outline) in EPSOM College in Malaysia.

The objectives of the programme are as follows:

- i. To help participants discover their leadership potential
- ii. To provide essential leadership tools and motivate participants to make a difference in their communities
- iii. To encourage unity by building a deeper understanding between cultures and a sense of appreciation for the multicultural society in Malaysia

To achieve these objectives, we have outlined a few specially designed sessions to achieve the aforementioned objectives. Examples of the sessions are as follows:

1. MAD Project

Also known as Make A Difference Challenge, the MAD Challenge was one of the highlights of camp, empowering five teams to create and execute sustainable plans of lasting impact for various community groups. Through this, participants learned how to plan a project, delegate tasks, manage finances, and teamwork. The community groups:

▪ **Pusat Jagaan Rumah Kebajikan Calvary Land**

An integrated social care centre that provides shelter for orphans and old folks

▪ **Pusat Jagaan Pertubuhan Rumah Kebajikan Subadhra**

A nursing home of underprivileged adult women

▪ **Red Spot Home Care Center**

A nursing home for old folks

▪ **Persatuan Kebajikan Vinashini**

A welfare institution for mentally and physically challenged children and adults

▪ **Pusat Jagaan Baitus Sakinah Wal Mahabbah**

A community home that provides shelter for orphans, underprivileged children and single mothers.

2. Project Management

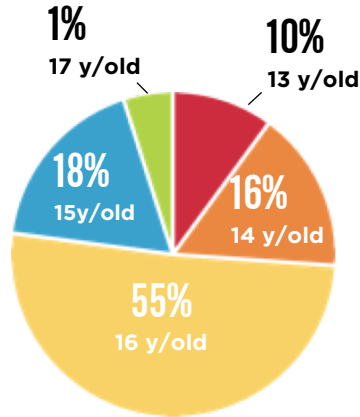

Participants are provided with the necessary tools to plan their project including SMART Goals, progress tracking and basic financial planning and budget reporting.

3. SPARK Night

Participants discover the rich cultures and learn to appreciate and embrace the diversity the country has to offer. Participants get to share their unique cultures and experience the differences through sharing and games.

Demographics

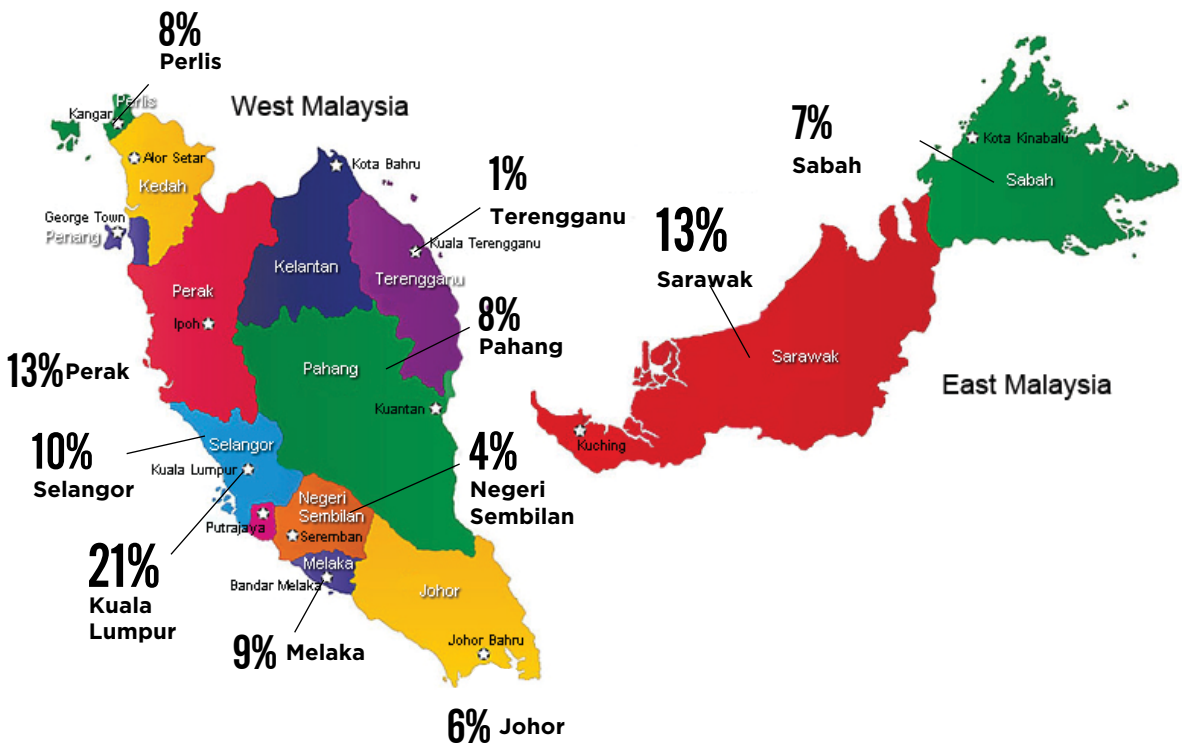

The breakdown of the participants are as follows:
