INTRODUCTION

Leaderonomics Youth in partnership with ECM Libra Foundation and EPSOM College in Malaysia have provided 78 youths aged between 13-16 years old from all over Malaysia the opportunity to experience the SPARK Leadership Programme which was conducted on 13-19 December 2015 (see attachment for Programme Outline) in EPSOM College in Malaysia.

The objectives of the programme are as follows:

- i. To help participants discover their leadership potential
- ii. To provide essential leadership tools and motivate participants to make a difference in their communities
- iii. To encourage unity by building a deeper understanding between cultures and a sense of appreciation for the multicultural society in Malaysia

To achieve these objectives, we have outlined a few specially designed sessions to achieve the aforementioned objectives. Examples of the sessions are as follows:

1. MAD Project

Also known as Make A Difference Challenge, the MAD Challenge was one of the highlights of camp, empowering five teams to create and execute sustainable plans of lasting impact for various community groups. Through this, participants learned how to plan a project, delegate tasks, manage finances, and teamwork. The community groups:

- **Pusat Jagaan Rumah Kebajikan Calvary Land**

An integrated social care centre that provides shelter for orphans and old folks

- **Pusat Jagaan Pertubuhan Rumah Kebajikan Subadhra**

A nursing home of underprivileged adult women

- **Mercy Convalescent Nursing Home, Taman South East**

A nursing home for old folks

- **Mercy Convalescent Nursing Home, Temiang**

A nursing home for old folks

- **Ray of Hope**

A community home that provides shelter for orphans and underprivileged children.

2. Project Management

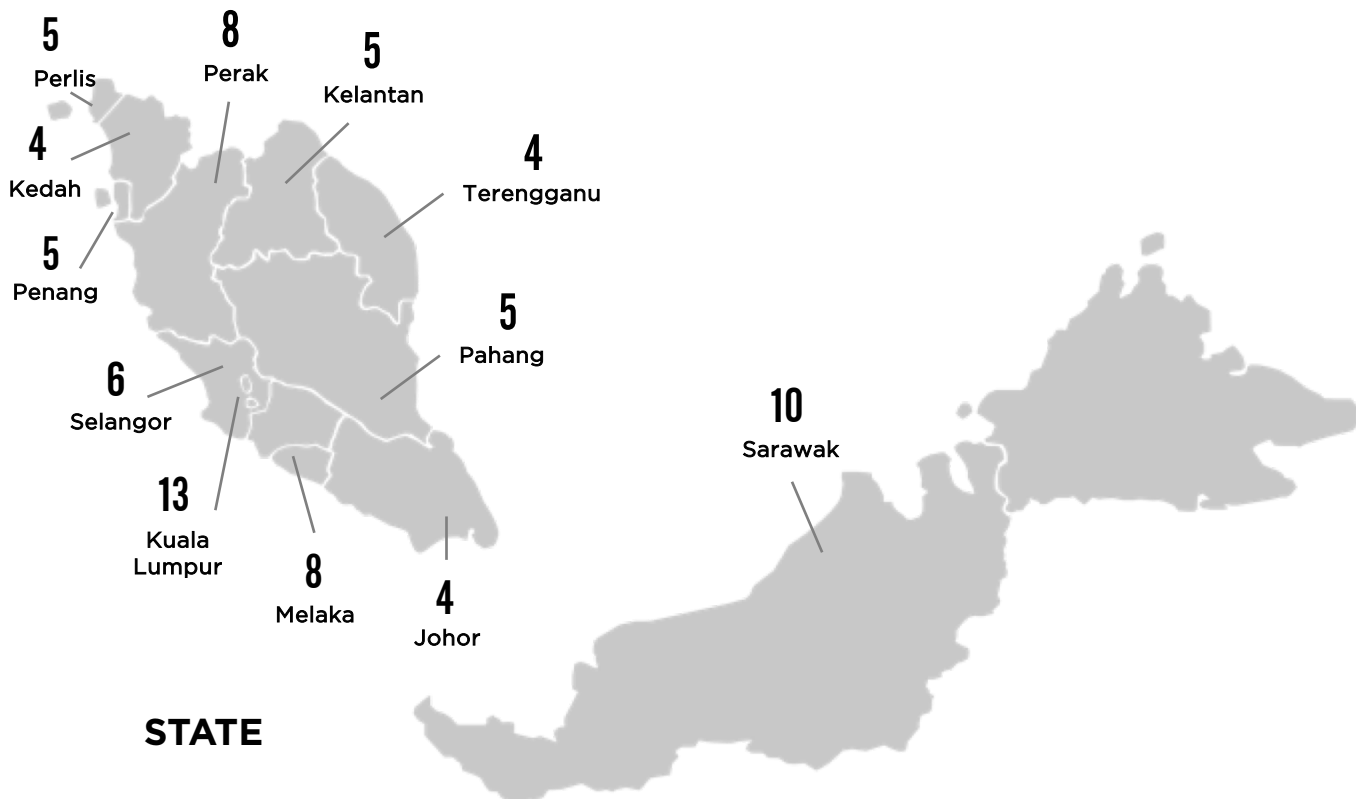

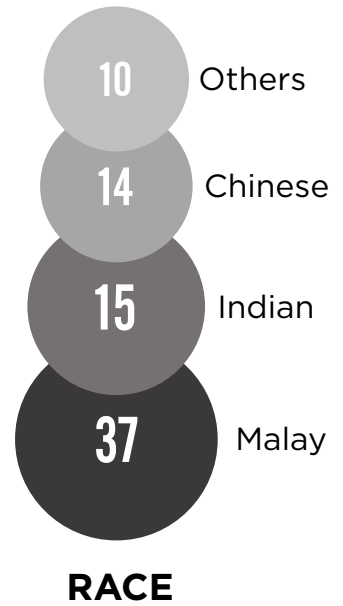

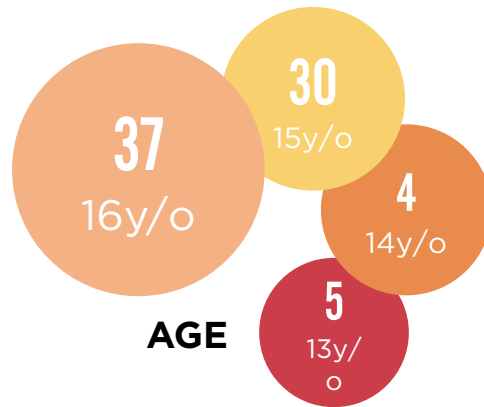

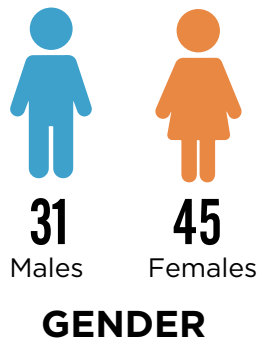

Participants are provided with the necessary tools to plan their project including SMART Goals, progress tracking and basic financial planning and budget reporting.

3. SPARK Night

Participants discover the rich cultures and learn to appreciate and embrace the diversity the country has to offer. Participants get to share their unique cultures and experience the differences through sharing and games.

SPARK NIGHT

CAMPER FEEDBACK

Attending Spark Leadership Camp is the most valuable and life changing experience I've ever had.

Meeting new people was a nightmare for me but after attending this camp, I learnt to mingle with others

Nor Shahirah

Camper

SMK Paya Kamunting, Kedah

At the beginning, Mr Lim Beng Choon expected us to speak out in English in front of the crowd. This posed an immediate challenge to me for up to this point of my life, I never spoke in English on a stage.

Through the 6 days, I gained the courage to stand in front of the campers and the panelists to express my thoughts which I never dreamed of before. I now know myself better and ready to lead others.

CAMPER FEEDBACK

Attending Spark Leadership Camp is the most valuable and life changing experience I've ever had. It was also an indescribable experience where I met a lot of friends from other states. Plus, my leadership skills were sharpened through various interesting activities.

I do hope that this camp would be held again next time. Thank you to all who have joined to successfully organise this camp and especially to the kind sponsors, without all of you, we would have no chance to join such a wonderful camp and filled my holidays wisely. Again, thank you!!!!!!!

CAMPER FEEDBACK

At the 'Project Homes' visit, I was initially uncomfortable to spend my day with the old folks, but now I realised that as younger generation, we need to appreciate them and always try to cheer them up. Thank you ECM Libra Foundation for opening my eyes!
