OA MOBILE SCHOOL APRIL HIGHLIGHT

STUDENTS FROM KG JENIT SHOWING OFF THEIR FROG AFTER ORIGAMI SESSION

WHAT'S NEW IN MOBILE SCHOOL

1. Tables distribution
2. STEAM Activity
3. Class observation
4. T-shirts for teachers

MOBILE SCHOOL IS CURRENTLY IN 6 VILLAGES, WITH 100 STUDENTS.

75 **MOBILE SCHOOL SESSIONS CONDUCTED IN APRIL**

DISTRIBUTION OF PORTABLE TABLES

We purchased a total of 36 tables for villages that did not have proper tables and chairs.

Villages such as Kg. Jenit, Kg. Bukit Biru, Kg. Teraling & Kg. Terubing 2A were not equipped with study facilities and equipments. Therefore we provided them portables tables which can be used for the learning sessions.

Students are now sitting in a more comfortable posture while learning.

STEAM ACTIVITIES-FUN BOXIES BY MYKIDDYLAND

This month we conducted STEAM activity with students in Kg. Petoh. The theme of the fun-boxies was astronomy, we taught them the name of different planets, and also its characteristic.

Mykiddyland is a kindergarten in KL. They sponsored us 60 Fun Boxies filled with a variety of games & STEAM activities aim to foster greater interest in learning & igniting children's creativity and passion for exploration and problem solving.

ART & CRAFT SESSION

We also conducted origami session in Kg. Bukit Biru and Kg. Jenit.

They were responsive and not as shy comparing to the first time we visited them. This time, we had fun making origami frogs and also airplane. We were also in the competition with the children to see whose airplane flew the furthest.

Session like this encouraged OA children to interact with outsiders, and helped to better prepare them for the outside world.

CLASS OBSERVATION

When visiting the villages, we also make sure we observed the session conducted by OA teachers; how they interact with the students, and how the students respond to the teachers. With the observation we will be able to notice any challenges, and give feedback and guide the teachers.

T- SHIRTS DISTRIBUTION TO MOBILE SCHOOL TEACHERS

The OA teachers now have their very own Mobile School t-shirt for being part of the program. It also played a role to instill the sense of formality when conducting learning sessions with the students.
