60 **MOBILE SCHOOL SESSIONS CONDUCTED IN MAY**

MOTHER'S DAY APPRECIATION

In May, we planned to organise a small event to celebrate Mother's day. The objective was to engage with the parents, however with the current implementation of MCO (Movement Control Order), and restriction for social gathering, we were unable to do so.

With the materials we sent it, the OA teachers were able to make cards with the students based on their creativity. The cards were given to their mothers respectively.

STEAM ACTIVITIES-FUN BOXIES BY MYKIDDYLAND

This month we conducted STEAM activity with students in Kg. Bukit Biru. The theme of the fun-boxies was astronomy, we taught them the name of different planets, and also its characteristic. My kiddyland is a kindergarten in KL, They sponsored us 60 fun-boxies filled with variety of STEAM activities,

aim to foster greater interest in learning & igniting children's creativity & passion for exploration & problem solving.
